

### Remarks

As set forth above, the claims presented above are substantively identical to those submitted in the Applicant's previous Amendment dated May 19, 2010 and are merely presented below to correct the status identifiers as required in the Notice of Non-Compliant Amendment. Claims 1-27, 29, and 30 are pending in the present application with claims 3, 9, 13-21, 23-27, and 29 withdrawn from consideration. Claims 1, 2, 5-7, 11, 13, 14, 19, 21, 22, and 25 are currently amended to correct grammar, to correct antecedent basis issues, and to overcome rejections under §112, second paragraph. Dependent claim 28 is currently cancelled to overcome a rejection under §112, second paragraph.

New independent claim 30 is currently added as a new claim. New independent claim 30 encompasses elected Species I, i.e., Figures 1-7.

With respect to the Examiner's comments regarding the Information Disclosure Statement, the Examiner is correct in stating that the English translation of the allowed claims of FR 2,852,271 are appended to a copy of the French language patent. Further, the Applicant notes that these English translated claims of FR 2,852,271 are the same as the claims of EP 1601543.

In light of the remarks above, the Applicant respectfully asserts that all of the issues raised by the Examiner in the Notice of Non-Compliant Amendment are now addressed. The Remarks previously presented in the Amendment dated May 19, 2010 are not reproduced here and the Applicant directs the Examiner to the Remarks submitted on May 19, 2010.

Finally, the Applicant again thanks the Examiner for the opportunity to interview the Examiner on August 31, 2010, which is summarized in the Examiner's Interview Summary mailed on September 2, 2010. As always, if any issue regarding the allowability of any of the pending claims could be readily resolved, or if other action could be taken to further advance prosecution, such as an Examiner's Amendment, it is respectfully requested that the

Examiner telephone the undersigned in this regard.

Although no fees are believed to be due, the Commissioner is authorized to charge our Deposit Account No. 08-2789 in the name of Howard & Howard Attorneys, P.C. for any fees or credit the account for any overpayment for this matter.

Respectfully submitted,
